- It is recommended that college bound students take **BOTH** the SAT's and the ACT's at least once in the spring of their junior year. Whichever test one does better on (SAT or ACT), should be taken again in the fall of their senior year to try to increase scores.
- Some selective colleges also require students to take *SAT Subject Tests*. We have a listing in Guidance from *CollegeBoard* of schools that "require" and "recommend" *SAT Subject Tests*. Students should also check with the schools to which they may apply to see if they require *SAT Subject Tests*.
- Students wishing to register on line (*w/credit card*) for the tests may do so for SAT's at: [www.collegeboard.com](http://www.collegeboard.com) and for ACT's at: [www.actstudent.org](http://www.actstudent.org).
- For students wishing to register through the mail, Registration Forms are available in the Guidance Office.
- **The High School Code Number for UHS is: 222 – 155.**
- **Free Study Guides for SAT's, ACT's, and SAT Subject Tests** are also available in the Guidance Office.
