Welcome to USEPAC

If you are receiving this pamphlet it is because you're the parent or guardian of a child with special needs. That job comes with lots of challenges, and the amount of information you need to help your child can be overwhelming.

Uxbridge Special Ed PAC is run by parents who are concerned about the special needs of the children in the Uxbridge Schools. We are a district-wide resource to parents and guardians, offering information, support and meetings throughout the school year.

As a group, USEPAC is mandated and supported by Massachusetts law. We are a united voice for children with special needs and considered an advisory committee for the Uxbridge School District and its Special Education Department. USEPAC partners with them to shape district-wide services. We are a group that strives to support and protect access to quality education for all children—especially those with disabilities—and participate in decision making that affects policies, rules and regulations.

USEPAC's Mission

We are here to work for the understanding, respect, and support of all children with special needs in Uxbridge. We provide opportunities for parents to share experiences and information and come together to learn more about challenges facing special needs children.

USEPAC Membership

We are actively seeking new members and volunteers. Membership is free and open to all people concerned about Uxbridge's children with special needs and learning differences.

Meetings & Events

General meetings are held one evening per month. We coordinate educational workshops and fundraisers throughout the school year.

All interested parents, guardians, staff and community members are invited to attend USEPAC events.

Please access our website or contact any USEPAC member to obtain a more detailed calendar.

Confidentiality

The Uxbridge Special Ed PAC values the confidentiality of its members. We encourage an atmosphere of open communication, understanding, and mutual respect at our meetings and we ask that all information is kept confidential.
