

# The Coalition for a Community of Caring

## OPEN HOUSE

*Come find out  
who we are  
and what we do!*

Monday, February 6th

6:30-7pm

Uxbridge High School

## ~BUILDING A HEALTHY COMMUNITY FOR OUR YOUTH~

We support the Community of Caring Program whose 5 core values of **RESPECT, RESPONSIBILITY, TRUST, CARING, AND FAMILY**, empower people to be responsible and caring members of their community.

Whether you can attend our monthly meetings, or just have an hour of time to spare, we have many creative community projects that you and your family can help us with! Some annual events we participate in are: World Smile Day, Family Dinner Night Out, The First Night Parade, Hearts of Kindness, and Day of Learning. We also collaborate with the Uxbridge Public School student group, "Art Gives Hope," who create public art as a way to promote the Community of Caring values. Be on the lookout-you will start seeing the 5 core values displayed throughout the community this year!
