RE: Disposal of 1-Ton Dump Truck

The School Department's 1-Ton Dump Truck is no longer in operation; therefore, I recommend the Committee take formal action to dispose of this asset in accordance with MGL Chapter 30 B (noted below).

Purchased from the Department of Public Works after the DPW retired the vehicle from their inventory, the vehicle will not pass State Inspection without major repairs and subsequently, may not operate lawfully on public streets and highways.

Vehicle Detail:

Model Year :	1997
Make:	Chevrolet
Model Name:	GMT 400
Model No.:	K- 3500 (1-Ton Dump)
V.I.N. #:	1GBJK34FXVF043414
Odometer Reading:	179,921
Cylinders:	8
Passengers:	3
Doors:	2

MGL Chapter 30B: Section 15. Tangible supply; disposition

Section 15. (a) A governmental body shall dispose of a tangible supply, no longer useful to the governmental body but having resale or salvage value, in accordance with this section. This section does not apply to the disposal of real property...
