Uxbridge Extended Day – Operational Report

BUDGET

Thus far, the total tuition collected for this school year is \$255,831.00. We will continue to update the school committee monthly on our progress. We continue to register new students for drop-in care in the morning so they may attend chorus rehearsal or extra help.

APRIL VACATION:

We were closed Monday, April 19th – Patriots Day. Tuesday – Friday we were opened to an average of twenty-five children, who had registered for the week.

Our activities for the week were based on “Go Green”, a continuation from the events going on during the Taft School day the previous week. The children used recyclable materials to create some out of the ordinary projects, planted seeds, and participated in a waffle ball tournament. The staff and children took a walk down to the canal, saw many turtles and had a picnic lunch. We ended the week with the children participating in a Talent Show and had a Pizza Party.

MAY 7th: Half day of School – Extended Day is open to those who have pre-registered.

MAY 31st: Memorial Day – Extended Day is closed.

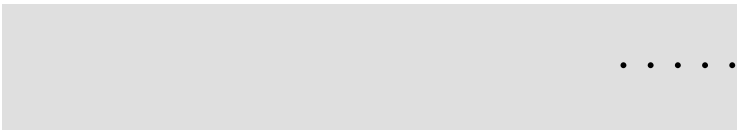

OTHER:

Mrs. Suzanne Sullivan and Mrs. Suzanne Wise have successfully completed the ServSafe Certification course which is accredited by the American National Standards Institute (ANSI)-Conference for Food Protection (CFP). The entire Extended Day staff has been recertified in CPR.

2010-2011 REGISTRATION:

2010-2011 registration/applications are now available. They have been mailed to all our families who had registered this year. Registrations will be mailed home to all families that attend the Taft and Whitin School the first week in May. We have begun to receive several applications to date and hope for another successful year.

Respectfully submitted by Betty Brodeur
