Another Year of MCAS Testing

Taft School students recently completed their participation in the Massachusetts Comprehensive Assessment System (MCAS) testing program for Spring of 2010. Students in Grades 3 and 4 completed MCAS tests in Reading during the month of March, and Mathematics during the month of May. The focus and effort given by Taft students was excellent during MCAS testing sessions. Individual student and schoolwide MCAS results are expected to be released during the upcoming summer months.

Community Reading Day

The annual Community Reading Day for Uxbridge Public Schools was held on Wednesday, May 26, 2010. This year's event, planned and coordinated by Taft librarian Margy O'Donnell, was a huge success. Over fifty community readers visited classrooms from pre-school through grade six to read with students. A small reception for community readers was held in the Taft library to thank everyone who participated.
