TIPS TO HELP KIDS GET MORE SLEEP

- Turn off all screens at least 1-2 hours before bed.
- Get to bed and wake up at the same time each day.
- Spend time outdoors: Natural sunlight during the day helps you to sleep better at night.
- Set up a relaxing bedtime routine; shower, brush your teeth, read a book, listen to calming music, count slowly in your head, do breathing exercises.

My door is always open and I welcome your input. Please feel free to call or email, jbelle@uxbridge.k12.ma.us, to discuss any concerns throughout the year or stop by to say hello. I
